Memorial fund created for accident victims

When tragedy strikes, the comfort of friends is a quantity that can never be overemphasized. Without this, the families involved often become hopelessly submerged in grief, shock and sorrow.

The recent accident deaths of two young Antioch wives have tragically brought this point home.

Since the July 3rd collision which claimed the lives of twenty-seven year old Mrs. Judith Frasc, of 479 Edgewood Dr. and thirty-seven year old Mrs. Shirley Kasik there has been a constant stream of sympathy and offerings of condolences to the surviving family members.

Now word has come in that a memorial

fund is being created to aid the families of the deceased and that of Mrs. Mary Carney, 31, of 503 Crest Lane, also involved in the crash and recovering from extensive internal injuries at Madison's University Hospital.

According to Dick Daniel, vice president of the State Bank of Antioch, a special fund has been started by John Teresi and Ray Scarpelli of Teresi Chev-Olds to aid the three families of Dan Kasik, Dale Frasc and William Carney (which includes nine children) of the accident victims. Anyone wishing to contribute is urged to contact or visit the State Bank, 440 Lake Street, Antioch. (395-2700)

GRADE SCHOOL VOTE SATURDAY

On Saturday, July 15, Antioch's Grade School system will have the tables turned as it takes what has to be considered its most crucial test.

On this date voters within the District 34 boundaries will vote on Education and Transportation Fund rate increases. The school board is requesting a thirty-five cent increase in the former and a 3 cent hike in the transportation fund.

The board has vowed to reinstate

programs cut earlier in the year should the referendum succeed. The cuts reduced what many considered a first rate program to the level of a basic "Three R's" curriculum.

However, because of a healthy response to appeals for referendum workers, district officials were cautiously optimistic about their chances for passage. To date, over one hundred and fifty parents (mostly mothers) have

answered the call.

Voting will take place at the districts three precincts: Antioch Grade School, Channel Lake School and Oakland School from noon until 7 p.m.

Anyone not already registered may still do so at the Antioch Upper Grade School from 7 p.m. until nine, today through Friday.

Charred wreckage is all that remains of three fiberglass boats destroyed by fire on Wednesday morning, July 5. The fire occurred at the Sunny Banks resort on Channel Lake where the boats were being stored. An electrical short which started in the center boat is thought to be the cause of the blaze which caused \$18,000 damage. (Staff Photo)

Congressman Robert McClory calls on veterans hospitalized at the Great Lakes Naval Hospital during the Fourth of July holiday, a quiet reminder that veterans aren't forgotten. The hospital has about 450 patients, although only 38 are Viet Nam veterans--and of those 38 only five are patients because of combat-connected injuries. Rear Admiral William C. Turville, MC, USN, is commanding officer of the hospital. Patient in bed is Jay E. Tasker, retired Navy man from Milwaukee. Standing behind the Congressman is another Navy patient, Richard Sullivan, Jr., Chappagua, New York. (Don Peasely Photo).

EDITORIAL

IN GOOD HANDS ?

Any political or geographic boundary; be it a nation, state or city is unquestionably only as strong or good as are its citizens.

Many have credited the greatness of America to its population, and rightly so. For, while the land contained the mineral wealth and potential, it took men and women and even children to make it what it is today.

However, as with any nation there is a limit put on physical as well as geographic expansion. At such a time the citizens must use their intellects in place of their strong shoulders to forward the values of the nation. Such a time has come for America, Illinois and indeed even Antioch.

Nothing will be more severely tested in the future than the adage "knowledge is power". For, if current problems appear appalling their replacements will be only more so.

In order to meet these challenges we as a nation require citizens of ever increasing knowledge, perception and intelligence. To gain these qualities one pathway is mandatory: EDUCATION.

In the year 2000 when todays crop of fourth graders will have the potential to run for the highest office in the land, will we have confidence in the choices they make and the policies they institute? Or will we helplessly ponder their potentialities had they been granted a good education. Shall we be penny wise and pound foolish?

Keeping this and the welfare of our children always at heart we urge all citizens to cast a favorable vote for the Antioch Grade School referendum on Saturday, July 15.

The "Saturday Night Special" is not a movie--and it is not fun. This expression has come to mean the deadliest weapon in our civilian society today.

The "Saturday Night Special" is a small gun capable of being concealed in the closed hand and which has no intended use--except to shoot people.

This small firearm, assembled from parts generally imported from Germany or elsewhere, is of small caliber, with a short barrel, and woefully inaccurate--except at very short range. When the Gun Control Act of 1968 was enacted, it contained specific provisions prohibiting the importation of pistols and revolvers--except for law enforcement use, for recognized sports competition, or as collector's items. To circumvent these plain provisions of the law, a practice has developed of importing small gun components, which are then assembled in this country and marketed quite freely in every area where the sale and transfer of handguns is authorized.

Sportsmen, who may use pistols for target practice, or law enforcement officer, who are authorized to be armed, have no interest in such handguns. The principal market for such weapons is said to be the mugger and holdup artists who acquired such a "Saturday Night Special" in order to carry out a Saturday Night job of mugging and thieving.

It is possible that a simple amendment of the law could prohibit the importation of gun parts and thus defeat a substantial portion of the business now done by those who manufacture and sell such "Saturday Night Specials."

A more likely and effective solution would seem to be the outright prohibition of any such weapon which has no legitimate use to sportsmen or law enforcement officials.

Legislation pending in the United States Senate may soon come to a vote there--as soon as agreement on the definition of a "Saturday Night Special" is reached.

Meanwhile, the House Judic-

iary Committee is considering similar legislation--including a bill introduced by this Member--designed to prohibit the manufacture, sale, transfer or possession of so-called "Saturday Night Specials."

Contrary to the popular cliché that "guns do not kill people, only people kill people," guns DO kill people--far too many in this nation. Deaths by gunfire--homicides, suicides, and accidental deaths--reached a total of about 20,000 last year, and the total is still rising. The relatively free trafficking in guns--particularly handguns of the "Saturday Night Special" variety--must soon come to an end in this nation, if we are to end the present wholesale slaughter by gunfire.

Letters to the Editor on any current issues are welcome. Only letters with names can be considered for this column. Signatures will be withheld on request. Letters cannot be returned and are subject to minor editing.

Dear friends,

I think the picture in the June 28th Antioch News is the Thomas Wilton residence as I saw it years ago. They had four sons Jim, Dick, Gene and Arthur Wilton. I cannot see to plainly but I believe the man opening the gate is Arthur Wilton which in later years became my husband. Grandpa Wilton is standing by the steps and Grandma Wilton sitting on the porch railing. I cannot identify the other boys. This picture was taken in the good old days so to speak. Please let me know if I am right. Best wishes to all my Antioch friends.

Pre-Schoolers Take First Step Into Life

Children are indeed a strange breed. They are in essence, miniature adults with all the promise and potential to move mountains. However, unlike their elders they need almost constant supervision and direction. Furthermore, they must be dealt with by a firm hand and an understanding heart.

At the Peppermint Stick Pre-School Center in Antioch, a variety of approaches are used.

The school, which uses classrooms of the Methodist School on Main Street is mainly concerned with helping pre-schoolers adjust to social living.

Mrs. Elaine Marsh, the school's director said that this was a very difficult time for youngsters. "To this point, their only social experience has been with mother. When the child enters school the vast differ-

ence can set them back in their education."

At the school, learning then is not as critical as adjusting. The main focus of the school day for the children is not in producing material or products (although they do come up with many imaginative creations), but in learning to cope with social interaction.

Mrs. Marsh noted that some children were literally dragged to the school by their mothers. And yet, as the weeks went by the once shy and timid youngsters were found merrily chatting away or if not actually participating, at least appeared comfortable in their new surroundings.

"We try to keep the children with their own peer group," said Mrs. Marsh. She explained that the school currently has two small groupings of chil-

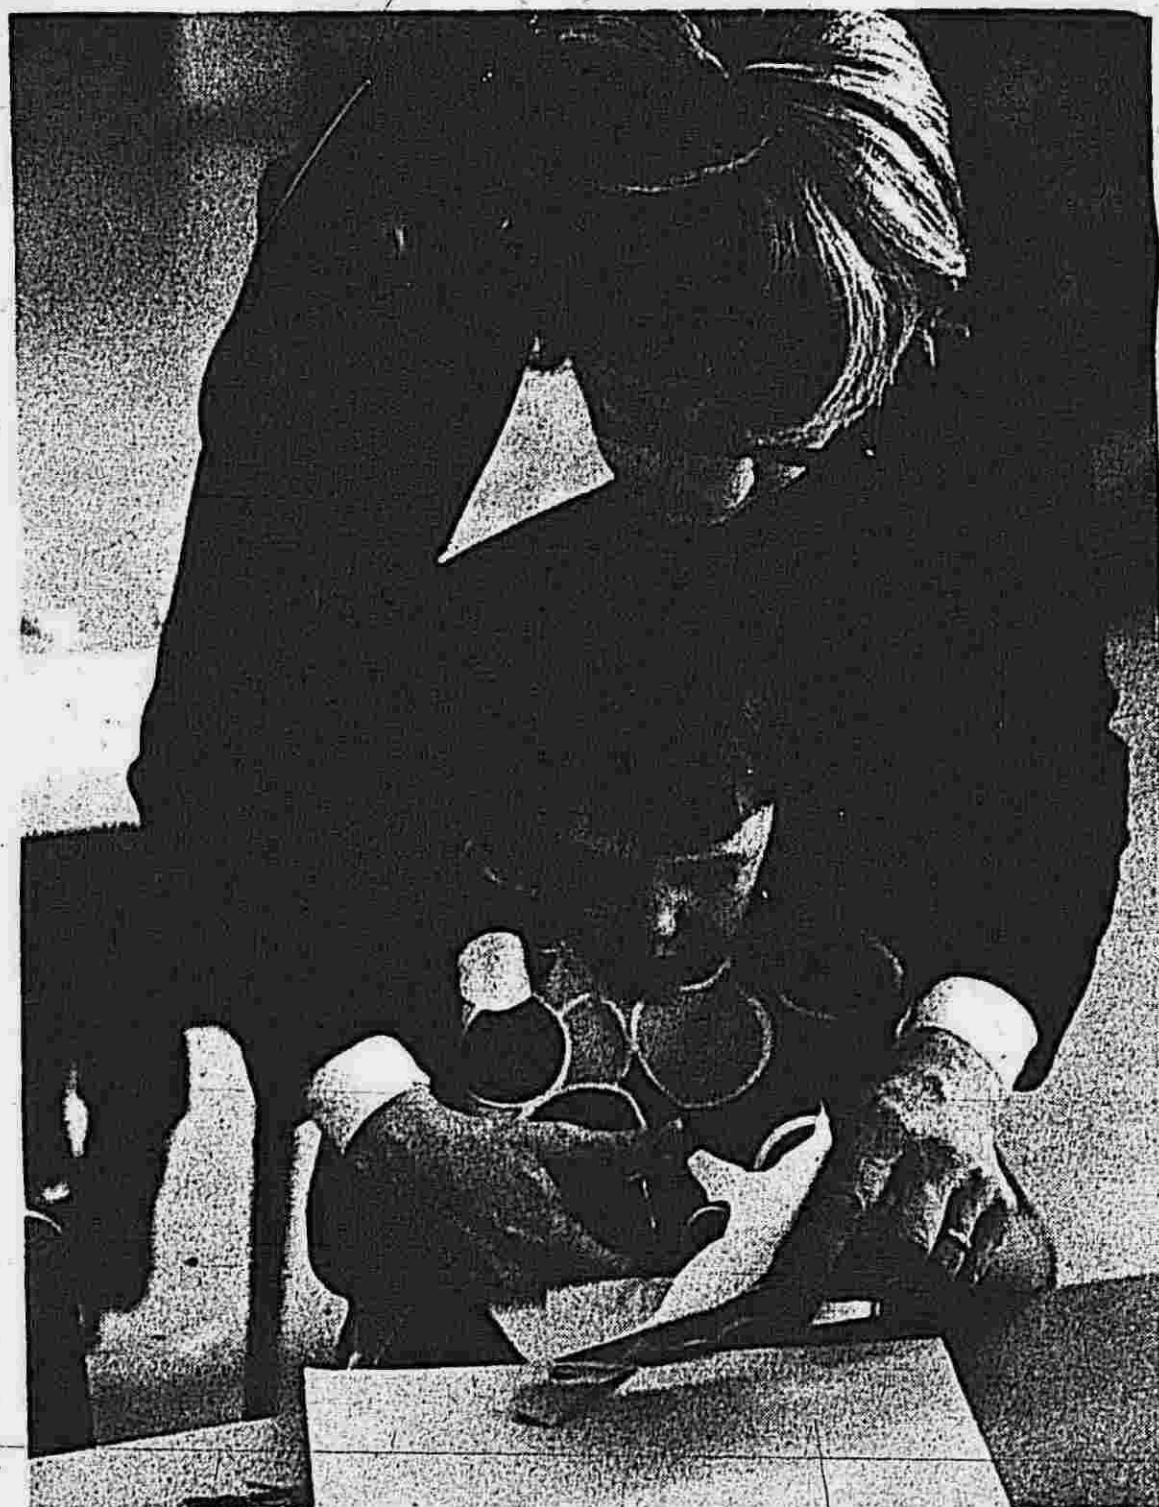

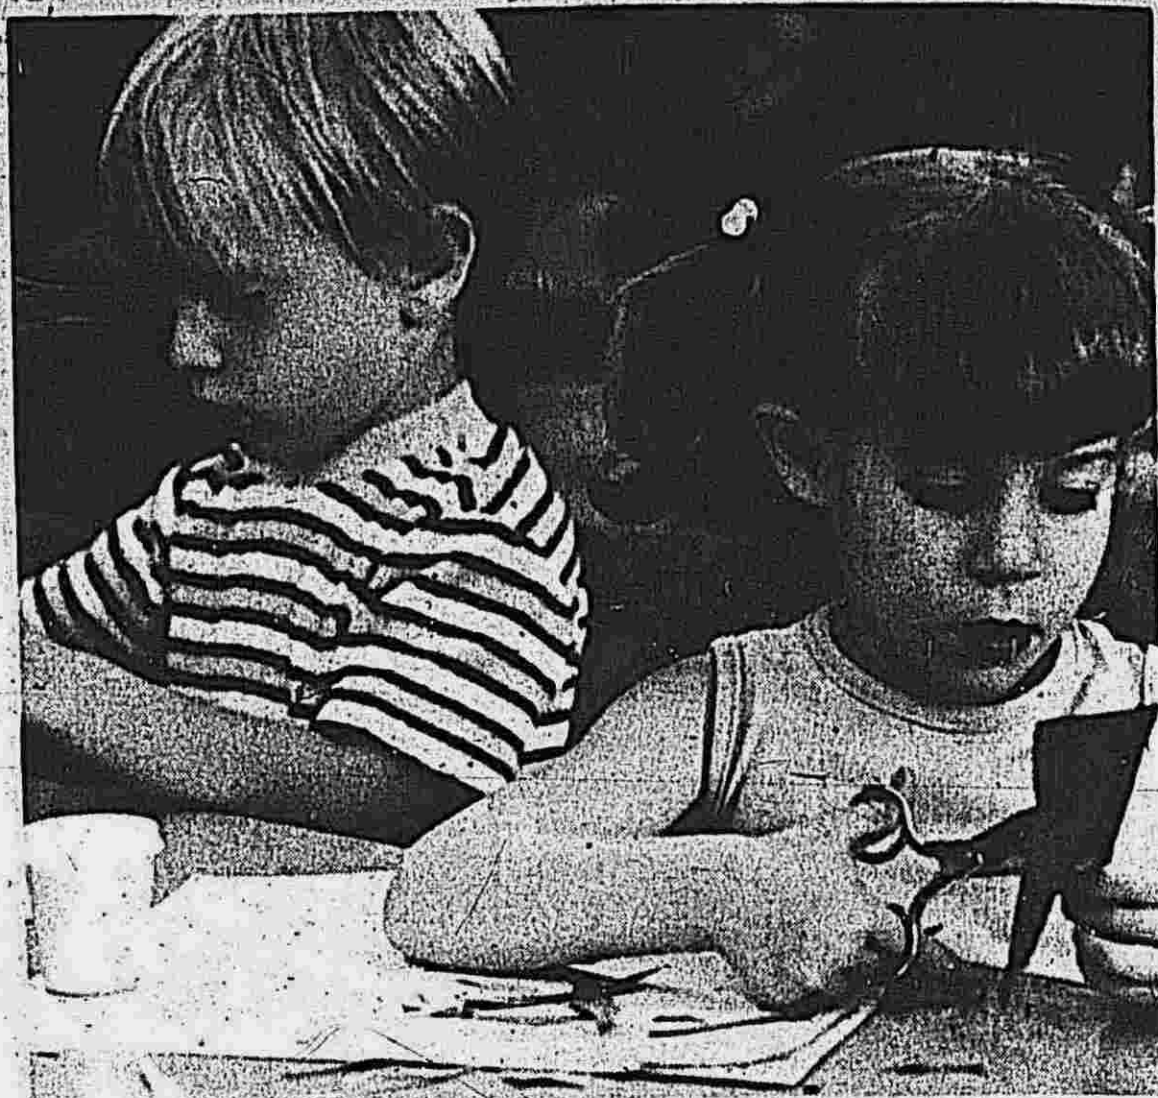

ren: one, age three, the other age five.

The two groups work on the same projects but their level of achievement and concentration is vastly different.

"The younger children become bored and disinterested within a short span of time," she said. "The older ones stick with something longer."

In addition to the art and craft work the children do, Mrs. Marsh said they attempt to teach the children manners and grace. "We're very big on manners. It's a part of education and training that sometimes is lacking, but that is very important."

In general, the former elementary teacher said she found the work perhaps the most challenging thing she has ever undertaken. She said that there was much more chance to have an affect on character molding at this age than later in the school life of a child.

VILLAGE APPROPRIATES RECORD FIGURE

The Antioch Village Board appropriated their largest budget in history at their July 10 meeting, earmarking nearly a million dollars for the 1972-73 fiscal year.

The figure which is in the vicinity of \$950,000 and exceeds last years budget by nearly \$50,000.

Village Clerk Marilyn Sterbenz called attention to the fact

that appropriations are not expenditures. "While we may have appropriated the figure, we only spend about half of it." She explained that the various funds were appropriated more money than they would actually need to cover any sudden outlays.

Also on the night's agenda were the bids for curbing, sidewalks and traffic flow for

the Village Parking lot, west of Broadway. Low bidder for the project was the firm of Larson and Blackman with a figure of \$3,398.15.

In one other matter the board sanctioned a series of lectures on gun safety by newly named patrolman-dispatcher Steve Townsend of the village police force.

ACCIDENT SURVIVORS PROGRESSING

Surviving victims of a July 3rd Automobile accident which claimed the lives of two young Antioch wives are all progressing nicely, according to close friends and relatives.

Mrs. Mary Carney, 31, of 503 Crest Lane, the most seriously injured of the four has regained consciousness at the University

of Wisconsin Hospital in Madison after suffering extensive internal injuries in the truck-car collision.

Mrs. Carney's injuries included fractured ribs, a punctured lung and a ruptured spleen which has since been removed.

Sources close to the family

indicated the mother of three had regained consciousness on Sunday, July 9 - was coherent and had recognized her husband who keeps a constant vigil at her bedside.

Others involved in the accident included her son Robert 3, who was treated for facial lacerations and released.

Linda Kasik 15, sustained a broken arm and minor cuts and bruises. She is at the home of relatives at the present time.

Sandra Herbert 15, suffered two broken collarbones, three broken ribs, a concussion and had her spleen removed. She is progressing nicely but remains hospitalized.

Back from vacation! This week's question is:

WITH THE PRESIDENTIAL ELECTION NEARING, WHO WOULD YOU LIKE TO SEE GET ELECTED PRESIDENT AND WHY?

MRS. CLIFTON HALL, of Antioch, said, "I think I would keep Richard Nixon for office. I feel he is doing a fairly good job. It's a tough position to be put in. He went in at a very bad time. I think he's doing very well. I agree with most of his policies. He's trying his best."

CAROL ANDERSON, 14 years old, of Antioch, stated, "Richard Nixon again because he has gotten people out of the war."

PHILIP BASTIAN, of Antioch, said, "I would like to see McGovern get in. He's a good man."

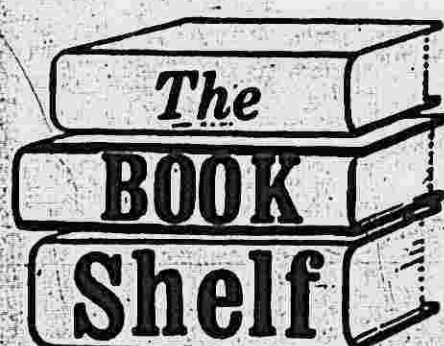

KAY KUECHENMEISTER, of Antioch, answered, "I would rather see George McGovern get elected. He would probably get us out of Vietnam faster than Nixon is doing."

I think I'm going to give up on that question. It's kind of a touchy question, (as I found out.) and I can understand why a lot of people preferred not to answer it.

I just got back from vacation to the Wisconsin Dells with my family. If any family is looking for a good vacation spot and they are the kind of family that likes a lot of things to do, I highly recommend this place. Among its many beautiful sights which you can see by touring, it's got go-carting, carnivals, boat trips down the scenic Wisconsin river, Indians, and fantastic lakes for water skiing. I really enjoyed the town itself because it has a lot of souvenir shops and I go bananas when I go into those places. I want to buy anything in sight.

Hope everyone has nice vacations this summer. It's so good to relax!

Peace till next week.
Gigi

COUNTRY CLUB DEFEATED

A unanimous 19-0 vote by the Lake County Board may have spelled the end of the Antioch Country Club project. The decision which came at the board's July 11 meeting, technically denied developer Thomas Santino's petition for a conditional use permit for a planned unit development. However, the ramifications may be more far reaching.

To date the county has rejected half a dozen projects, while approving only one, a small development near Lake Zurich.

Antioch Township Supervisor Lloyd "Red" Murrie, who voted with the majority said that the developer had recourse to the courts to overturn the decision, but that his chances were slim. "It would be nearly impossible to beat the recommendation of the Zoning Board of Appeals and a unanimous vote of the county board," said Murrie.

"In my opinion he doesn't have too good a case, but he does have that prerogative."

When contacted for comment, Santino said he hadn't decided what his next step would be, "but I will be talking with my

attorneys."

Santino noted he had the option of utilizing the land as zoned (single family homes) or turning to the courts."

"It's a question of which will be more expeditious."

The developer said he held no animosity toward the board. "They only expressed the views of the people."

However, when considering the posture of the board toward his, and the other developments rejected, Santino said he thought the projects were "premature for the area."

Along the Way with *Annie Mae*

This has been a tragic week for some families in Antioch. Our hearts go out to the families of Dan Kasik and Dale Frasch and Earl Pitman. Words seem useless at a time like this, but they must be said none-the-less.

Word has it that Mary Carney is coming along just fine. She has been awake and recognized her husband and spoke to him. Mary is in University of Madison Hospital, Madison, Wis. Cards would be appreciated.

Birthdays this week are being celebrated by Gail Volling on the 9th and Julie Gutowski on the 12th and Michell Scanlon on the 14th, to William Ernst who was 85 years young on the 11th.

An anniversary wish goes to Jack and Rose Sebesta on the 14th.

The Inar Peterson family knows how to "do it up right". Their family reunion was held at Fox River Park with games, fun and food for some 62 people attending the affair.

Welcome back to the Ed Warner family who just returned from a nice family camping trip out west. The George Palaskes and Jim Spittles have also just returned from a vacation to the Dells.

Be sure to keep the date, Aug. 19, open for the annual St. Peters Salad Bar Luncheon. This is always a fun affair. The theme for the luncheon is "to Lib or not to Lib" and will be carried out with skits and fashions. A special feature will be a weight watchers table so no excuse not to come out. Rickie

Apostol is chairman of the event, with her fine talents and lots of help from her committee it should be a great luncheon. That's August 19 at 12:30.

Congratulations to Jim Dalgaard and Shery Thompson who tied the knot last Friday, July 7. Hear tell the reception was great at the beautiful Hunter Country Club. Much happiness to you both.

Two daughters of Estelle Gatch of Antioch have come to visit their mother this summer.

Daughter Barbara Dauajare and her children Debora, David, Daniel, and Anna Marie, residents of San Luis Potosi, Mexico, will spend the summer with Mrs. Gatch.

Another daughter LaVerne DeMaris, accompanied by her daughter Valerie, will also have an opportunity to visit her sister as she is visiting from her home in Cedar Rapids, Iowa.

Did you all know there was an eclipse of the sun on Monday afternoon! Well so much for the lesson-

See ya,

Annie Mae

President Nixon member troop 92

President Richard M. Nixon is now an honorary member of Troop 92 of Antioch. Troop 92 plans to honor prominent members of the scouting program as well as persons who have contributed their services to the welfare of the troop.

President Nixon was chosen as the first Honorary Member and was sent a troop neckerchief together with a presentation letter signed by the members of the troop. The boys were impressed with the President's letter which will be framed and installed in the Scout House.

The second Honorary Member is to be Mr. Les Bergsman, the most prominent Scouter in the Northeast Area Council. Mr. Les Bergman, also known as Papa Bear, has been in scouting for more than 54 years and continues to be very active in this area. His house is a veritable repository of scouting memorabilia and his recounting of early scouting days has been the most interesting part of many a campfire.

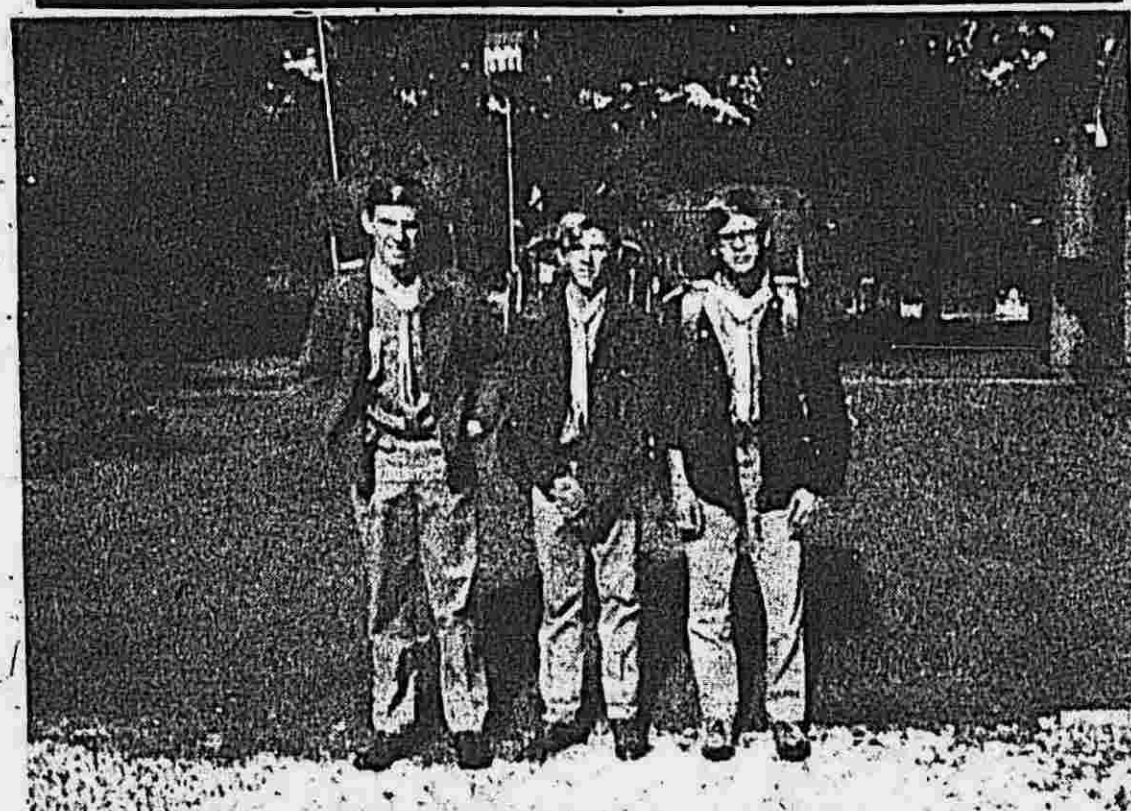

The troop has attempted to express its appreciation to these many people in as many different ways in the past. The Honorary Membership will now serve as a standard vehicle for the troop to show its appreciation. Several Antioch residents have been slated for Honorary Membership in the near future.

almost any aspect of life in Antioch and you will find that people are proud of the way things are done around here. Our rescue squad, service clubs, local businessmen, churches and homes are evidence that our people are willing to strive for excellence with an investment of their time, talents and money. You can help to preserve the quality of our lives by casting a "yes" vote in the JULY 15th Educational Referendum.

John Rosquist, Ralph Sander and Dave Edwards, senior scouts of Troop 92 returned last Saturday from an extensive training course at the national Boy Scout Training Camp in Cimarron, New Mexico. The three scouts spent two weeks learning the new regulations and procedures effective September 1972 as well as advanced concepts in Junior leadership.

One hundred-sixty scouts from all over the country divided into five troops attended the session. Each of our scouts were members of different troops and had as tent mates scouts from California, South Dakota and Texas. The junior leaders lived in tents and ate freeze dried and dehydrated food throughout their stay. After a week's stay at home the senior scouts will join their troop for a two week camp at the MA-KA-JA-WAN scout reservation in Wisconsin.

Pet Parade by Newcomers

The Antioch Welcome Wagon Newcomers' Club in conjunction with the Chamber of Commerce evening of Midnight Madness, will sponsor a pet parade, Monday, August 21st.

All children up through grade school are invited to participate. Children and pets will be in costume, so mothers have plenty of time to think of some

clever ideas. Prizes and ribbons will be awarded in several classes.

Pre-registration will be necessary for this event. There will be no fee in order to enter. Further details and forms will be furnished in coming weeks. We are looking forward to a large turnout and a successful event.

Welcoming to their household a firstborn, a bouncing baby girl, are Sandra and Kelly Kappler of 983 Spafford Street.

Baby Heather was born on July 7 at Victory Memorial Hospital, weighing in at 6 lbs. 9 oz. and 20" long.

Proud grandparents are Mr. and Mrs. Leo Kappler of Lake Villa and Mr. and Mrs. Lloyd Autry of Rockford.

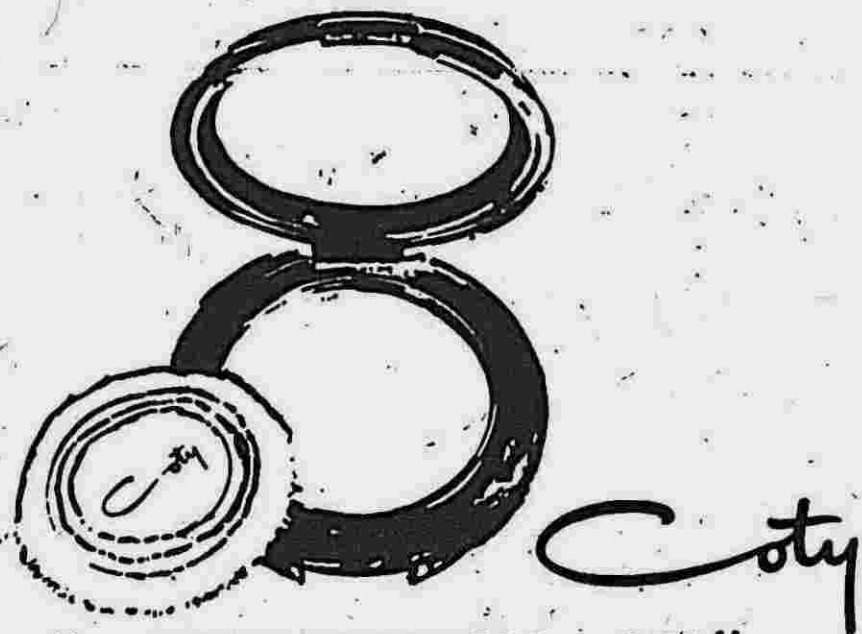

Barb and Richard Pahlke of Trevor, Wisconsin, are the proud parents of a tiny bundle dressed in blue. Phillip Robert, born on June 30th (two months early) weighed in at 5 pounds 4 1/2 oz. and was 19 inches long. Mother Barb is home and doing well.

Little Phillip will make his debut this Friday, as he has been in an incubator for the past week. Anxiously awaiting his homecoming are Ricky, age 10 and Diane, age 8. Marge Pahlke and Sue Hallwas, the two new aunts, just managed to squeeze a baby shower in on time. The first one was all set until Barb came down with the mumps, on the day before. The shower was finally held on the day before Barb went into the hospital. Barb laughed so hard at a surprise "First Aid Kit" that it probably aided in Phillip's early arrival. The beaming grandparents are George and Estelle Pahlke of Trevor and Howard and Edith Larson of Bristol, Wisconsin. Congratulations are in order for all.

Bring out all of the flavor of that freshly picked asparagus with Asparagus A La Lemon Butter sauce. In a small saucepan melt 1/4 cup (1/2 stick) of butter and add 1-1/2 tablespoons of lemon juice. Pour over asparagus. Sprinkle with Parmesan cheese. Serves six vegetable lovers.

FOR PETE'S SAKE!, a film credited as "unique in its capacity to reach out to meet the problems of people," will be shown on Thursday, July 20, at the Antioch Evangelical Free Church, Tiffany Road at Highview Drive, Antioch.

The full-length comedy-drama, filmed in brilliant Eastman color by World Wide Pictures, will be shown once beginning at 7:30 p.m., is open to the public at no admission charge.

Filmed entirely on location in Denver and the Colorado Rockies, FOR PETE'S SAKE! is the story of Pete Harper, a family man and service station owner, who is knocked flat by unexpected problems, but finds the strength to stand up again, to face life anew.

FOR PETE'S SAKE! has been seen nationwide by over three million persons in theatre premiers, and has been cited by one film critic as "the perfect mixture—it's drama at its boldest, comedy at its lightest, and action at its liveliest. FOR PETE'S SAKE! is a family film, not only because it is good family entertainment, but because through its storyline, families can see and feel exactly what is needed to develop deeper understanding and build stronger ties."

FOR PETE'S SAKE! stars Robert Sampson, who also starred in World Wide's THE RESTLESS ONES. Pippa Scott, as Pete's wife, Marge, is well-known for her Broadway appearances and numerous television roles. John Milford and Sam Groom are both familiar to television audiences.

Other featured players include Johnny Jensen as Pete's son, Irene Tedrow as Grandma Harper, and Nicolas Surovy as Skip, the leader of a motorcycle gang.

A cordial invitation is extended to all families of the community by Pastor Bernard Fosmark, who has made arrangements for this special showing of FOR PETE'S SAKE!

BAND HONORS "BOB KUTCHAN"

The well known and highly popular dance band "Rudy Drnec and son Jim" played at the home of Bob Kutchan on Saturday, July 1st. All the old time songs and melodies and also the new rock and roll songs were enjoyed by the following guests: Tom and Rose Vondrasek, Sophie Knize and Joe Goulet, Sylvia Drnec and Little Alice, Jim and Kimberly and Judy Drnec, Chas and Mae Prazak, and Emily Novotny and Vivian Anderson.

Dancing, singing and plenty of beer were enjoyed by everyone.

Linda Praises Girls' State

by Del Jahneke

Miss Linda Lagerstrom, daughter of the L.M. Lagerstroms of Suraya Drive, Antioch, was selected as a representative to attend the 1972 session of Illini Girls' State, held on the MacMurray College campus, Jacksonville, Illinois, from June 13th to June 20th. Miss Lagerstrom was sponsored by the Antioch American Legion Auxiliary 748. Mrs. Joseph Horton, Illini Girls' State Chairman, made all the arrangements for this event.

In Linda's own words "Illini Girls' State gave me a chance to learn about our state government, as well as participate in it. 528 girls made up the "state," and modelled our government after the state government. I'm sure we learned much more by actually forming our own government than by watching one in action. It also made us more aware of what was happening when we visited the Senate and the House of Representatives in Springfield. We campaigned for offices, held elections and conventions and had lots of fun in the process!"

The entire Girls' State program is the practical application of Americanism through government and good citizenship, and the instilling in these young women, a love of God and country. The girls become involved in serving in many official capacities of local, county and state government. Training in the various aspects of conducting an election, developing a party platform and learning the functions of the governing body are strongly emphasized.

Linda campaigned for the office of State Treasurer, one of the top offices, but ran into a

great deal of competition, and so lost out in holding an office. However, despite this one disappointment, Linda said, "I'll always treasure the friends that I've made, the many good times I've had and all the things I've learned regarding our government. Girls' State was an experience I wish all girls could have because it is really wonderful!"

One unusual aspect of Illini Girls' State this year was the fact that State Governor Richard Ogilvie's own daughter, Elizabeth, was one of the Girls' Staters. She was also defeated in running for a high office. Linda commented that Elizabeth was a lovely, attractive teenager. Miss Ogilvie and another girl sang several duets at their big banquet, and were enjoyed by all.

Lieutenant Governor Paul Simon visited the girls' staters and welcomed them with a fine speech.

A 17 year young lady, Linda Lagerstrom has been a very active participant in many organizations in the Antioch Community High School. An Honor Roll student, she is a member of the Honor Society, the Spanish Honor Society, the G.A.A., I an officer of the Spanish Club, and is on the Yearbook staff. Outside school, Linda works in the bookkeeping department of the State Bank of Antioch. She is also active in 4-H work, is an AWANA leader and belongs to the Teen Twister Square Dance Club.

The Antioch American Legion Auxiliary 748 is proud that they had the opportunity of sponsoring a fine young woman like Linda Lagerstrom to Illini Girls' State.

John Rosquist
in Scout
Training

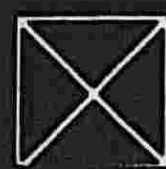

John Rosquist, son of Mr. and Mrs. Niles W. Rosquist, P.O. Box 63, Antioch, is receiving specialized training in Scout Leadership at Philmont Scout Ranch and Explorer Base in the Rocky Mountains of northeastern New Mexico.

Life Scout Rosquist, 15, is one of more than 800 Scouts selected from across the nation to participate in the 12-day summer course at the Junior Leader Instructor Training Camp, located on the 214 square mile ranch. The purpose of the course is to prepare these Scouts to assist their council in training other junior leaders.

A member of Troup 92, sponsored by the Loyal Order of Moose, Rosquist is receiving intensive instruction in the skills of leadership and Scoutcraft, including patrol and troop activity planning, hike planning, campfire planning and conducting training programs.

ANTIOCH

Residents are going to demonstrate that their priorities are still in order. The cost is modest for our children to enjoy a full and balanced educational program. A return to just the three R's is not consistent with the many advantages the people of our community have labored so hard to provide. The schools are still the most important places in town. Take pride in Antioch by voting "YES" in the July 15th Educational Referendum.

DON GAA ATTENDS ROTC SUMMER CAMP

Cadet Donald A. Gaa Jr., 20, whose parents live at 918 David St., Antioch, Ill., is receiving six weeks of practical work in military leadership at the Army Reserve Officers Training Corps Advanced Summer Camp at Ft. Riley, Kan. from June 10-July 21.

Cadet Gaa, who is scheduled to receive a B.S. degree in 1973 from St. Norbert College in West De Pere, Wis., is one of more than 10,000 students attending Army ROTC training at six installations in the U.S.

The six-week ROTC advanced camp provides an opportunity for cadets to develop and demonstrate leadership capabilities in a field training environment. The instruction supplements theories and concepts which cadets learned in the classroom on campus.

Cadets normally attend the training between their junior and senior years. This enables them to better comprehend their final year of classroom work and to function as cadet leaders on campus.

A 1969 graduate of Antioch Community High School, the cadet is a member of Sigma Nu Chi Fraternity.

Tom Tossey named to honor roll

Ohio State University has issued its honor roll for the spring quarter, listing names of undergraduate students who achieved high academic averages for that period. Those honored received an average of at least 3.5 (A-4.0; B-3.0) and were enrolled for at least 12 credit hours.

Thomas Tossey, of 462 Winsor Drive, Antioch has been named to Ohio State's Honor Roll.

STATE SCHOLARSHIP COMMISSION EXTENDS DEADLINE

The Illinois State Scholarship Commission has extended its final deadline date for the 1972-73 Monetary Award Program from June 1 to August 1, 1972.

All students who meet the eligibility requirements for the Monetary Award Program and have not already submitted an application form for the 1972-73 academic year may apply until August 1. Announcement of the

award winners for students meeting the new August 1 deadline date will be September 15, 1972.

Students who submitted a completed application by the June 1 date will still be announced on July 15.

Applications for Monetary

Awards may be obtained from the Office of Financial Aids and Placement, Building 6, College of Lake County.

For additional information, students are requested to contact Samuel Mazman, Director, Financial Aids and Placement, CLC.

July 6th started a new year for W.O.T.M. 735 with the College of Regents Chapter Night. A short poetic resume was read by Collegian Alice Young about each of the Collegians.

The red stole was accepted by Evelyn Miller at the investiture ceremony. Shirley Gehrls received her red tassel and Re Hadley was presented the College of Regents charm. Diane Hoeksal was awarded her chapter pin for three consecutive meetings after first enrolling. Irma Toft received her Graduate Regent charm. Congratulations to all!

New members introduced by the presentation officer Gert

Good also a collegian, were: Gladys Skurat, sponsored by June Ballinger, and a new home chapter member, Eva Dillow, sponsored by Judy Page.

Welcome to our new members. W.O.T.M. officers meeting was held July 8th at Senior Regent Karen Bartuska's home. All our officers are hoping and working toward a very successful year.

The Child Care Committee will meet at Dorothy Laursen's home on August 7, to do some planning for the year.

The publicity Committee meeting will be held at PAT Sperling's home July 25th. Members of these committees please attend if possible.

W.O.T.M. next regular meeting July 20th. Hope all members attend so we can welcome back June Ballinger from her vacation.

LOCAL GROUPS PARTICIPATE IN "LOVE YOUR COUNTRY DAY"

Odd Fellows (I.O.O.F.) and Rebekahs everywhere were requested to participate in "Love Your Country Day". In Canada the first day of July, in the United States, the Fourth of July has been designated by the Sovereign Grand Master J. Ray King.

Lakeside Rebekah Lodge 82, Antioch, has observed this request by serving free coffee and Kool Aid at the Arco Gas

Station, Routes 83 and 173. A thank-you to this station for allowing the Rebekahs to utilize their facilities, to serve hot coffee to weary motorists homeward bound after the long holiday weekend. Perhaps an accident was prevented by just a sip of coffee offered in friendship by Mrs. Walter Buchert, Mrs. Wayne Jones and Mrs. John C. Hagen.

"THE ANGELS"

Located one mile north of Antioch on Rte. 83 is a charming family style restaurant—"THE ANGELS".

The rambling and quaint former farm house is owned and operated by Mrs. Rose Angel. Rose, who also does much of the cooking has run the restaurant for more than twenty years and so can gauge the tastes and wishes of her many patrons.

Dining at "THE ANGELS" is a pleasant and satisfying experience. The menu is lengthy and includes such favorites as Prime Rib Au Jus, White Roast Stuffed Cornish Hen, a choice of six steaks and many other beef and fowl entrees.

Selections from the sea include Broiled Alaskan King Crab, lobster tails, scallops, shrimp, Lobster a la Newberg and Broiled White Fish.

"THE ANGELS" is also well stocked with a varied and appetizing relish tray. Many old favorites and dishes with a new twist are featured.

For those who prefer to start their meal with something out of the ordinary, "THE ANGELS" offers several delicious appetizers. They include Soup Du Jour, Hors d' Oeuvres and fresh shrimp cocktail.

Specials at "THE ANGELS" include Lake Perch and Southern Fried Chicken. Both are of generous size and easy on the pocketbook.

Desserts are not forgotten at the comfortable family restaurant. Each is given an expressly home made flavor by the owner. In addition to homemade pies and rolls, Rose makes her own cheese, salad dressing, liver paste and even marinates herring.

Rose, who occasionally doubles as a barkeep noted that the bar could meet almost any request. She also has a fine selection of domestic and imported beers. Featured are such Old World favorites as Heinekin, Lowenbrau and Denmark's Tuborg beer.

The theme of the restaurant "Just Heavenly Food" is aptly coined. But don't take just anyone's word. Stop at "THE ANGELS" and see for yourself.

Sweet-Sour Sauce Accents Flavor

Chinese chefs have a very special way with pork. They cut it into cubes, coat it with corn starch and brown it in hot corn oil. Prepared this way, pork has a crisp batter coated goodness.

In Sweet and Sour Pineapple Pork, the meat is served in a clear, delicately thickened sauce. Pineapple chunks and juice add flavor and the dish is given color accent by the addition of tomato and bits of crisp green pickle.

Sweet and Sour Pineapple Pork

1 pound boneless pork, cut into 1-inch cubes

Corn starch

2 tablespoons corn oil

1 cup pineapple chunks

¾ cup pineapple juice

½ cup cut up sweet pickle

2 tablespoons soy sauce

½ teaspoon salt

1 tablespoon corn starch

¼ cup vinegar

1 medium tomato, cut into chunks

Coat pork with corn starch. Heat corn oil in skillet over medium heat. Add meat; saute until browned and tender, about 15 minutes. Add pineapple, pineapple juice, pickle, soy sauce and salt. Bring to boil. Then, with a spoon, blend 1 tablespoon corn starch with the vinegar. Stir into mixture in skillet. Bring to boil, stirring constantly. Add tomato; heat. Makes 4 servings.

Longer Lasting Black Top Sealer...

Protects, Beautifies Drives up to 5 Years!

SAKRETE BLACKTOP SEALER is heavy, undiluted—one coat bonds to your old driveway surface to protect against sun and cold. Makes blacktop look like new and last for years without cracking or pitting.

Avoid thin, spray-on solutions that evaporate away. SAKRETE BLACKTOP SEALER goes on easily, quickly. Save money by applying it yourself—thousands do! Just pour and spread with squeegee or broom. SAKRETE SEALER dries overnight to a rich, long-lasting black surface. Five gallon pail covers approximately 250 sq. ft.

Obituaries

MRS. JUDITH T. FRASCH—27 years old of 479 Edgewood Drive, Antioch, Illinois passed away Monday, July 3rd at Mercy Hospital from injuries received in an automobile accident on Highway 26 and County Trunk N near Milton, Wis. She was born December 9, 1944 in Chicago and moved to Antioch in 1960. She holds membership in St. Peters Church, the Altar and Rosary Society of the church and Antioch Chapter 735 Women of the Moose. She married Dale W. Frasch on November 6, 1965 in Antioch.

Survivors are her husband Dale W. Frasch, one daughter Suzanne and two sons Dean and Scott Frasch (all at home), her parents Edward and Lottie Vejvoda Sr. (Antioch), her maternal grandmother, Mrs. Frances Lupa (Chicago), and two brothers Edward J. Vejvoda of Lake Villa and Ronald R. Vejvoda of Buena Park, California.

A funeral mass was held at 10 a.m. Friday at St. Peters Church in Antioch. Interment was in Mt. Carmel Cemetery at Antioch.

Services were held recently at Cermak Home for Funerals in Cicero, for **RICHEY V. GRAHAM**, of River Forest, chairman of the board of First Savings of La Grange Park and former president pro tem of the state senate under Gov. Henry Horner.

Mr. Graham, 85, died in an Oak Park convalescent home after a long illness. Interment will be in Bohemian National Cemetery.

After serving in the House from 1928 to 1931, he was elected to the Senate where he served until 1938.

Mr. Graham was a past commander of the Lawndale Crawford Post, American Legion, and was a member of the Edgewater Masonic Lodge, Scottish Rite, Medinah Lodge, Berwyn Elks and Anton J. Cermak Post, Veterans of Foreign Wars.

He is survived by two sons, Richey V. Jr., of Hinsdale, and Robert J.; a daughter, Mrs. Vivian Hope; a brother; five grandchildren, and one great grandchild.

Before his July 3rd death, Mr. Graham had been associated with Antioch for over fifty years.

IVAN R. STICKELS passed away suddenly at his home in Tavares, Florida. He was born August 13, 1898 at Milburn, Illinois, son of R. Eugene and Lilly Darby Stickels and lived in Antioch until 1918. He was a veteran of World War I, having served as a radio observer after enlisting in the Navy in 1917. He was a retired U.S. mail carrier. In 1919 he was married to Leola Denoon at PawPaw, Michigan.

Survivors are his wife, two sons, Bernard of Grand Rapids, Michigan, and Robert of Winter Park, Florida. Eight grandsons and two sisters, Mrs. Jerry Prather (Florence) of Harvey, Illinois and Mrs. Muryl Eldred (Arlene) of South Haven, Michigan.

Funeral services were held Friday at Rehbaum and Hardin Funeral Home. Interment was in Mount Dora, Florida.

MRS. SHIRLEY L. KASIK—37 years old of 497 Crest Lane, Antioch, Illinois, passed away Monday, July 3rd from injuries received in an automobile accident on Highway 26 and County Trunk N near Milton, Wisconsin. She was born May 2, 1935 in Flint, Michigan and resided in Berwyn, Illinois before moving to Antioch in 1957. She was a girl scout leader with troop 302, active in the Antioch Grade School Band Parents Association, and was vice president of the Home Makers Extension Services. She married Daniel J. Kasik on June 30, 1956 in Flint, Michigan.

THE TRUTH THAT HEALS

Christian Science Churches

Jesus proved that God is our Life when he delivered the only son, who was pronounced dead, to the widow in the account given in St. Luke 7th. In the Bible Lesson-Sermon on "Life" he proved death to be unreal.

"Life is eternal. We should find this out, and begin the demonstration thereof" a citation to be read from SCIENCE AND HEALTH WITH KEY TO THE SCRIPTURES by Mary Baker Eddy.

Services at First Church of Christ Scientist, BEACON HILL, Rt. 173, Antioch, Illinois begin at 11 a.m. Everyone is invited to attend.

HUNT FOR
RIDGE FARM
ALUMNI

Eight years ago Grove School purchased Ridge Farm and retained its existence as a haven for children. According to records, 1973 would mark the 60th Anniversary of Ridge Farm as a child care institution. We feel the year should not pass without proper recognition of Ridge Farm to the entire Chicago and Suburban area as source of help for troubled children.

This was taken from a pamphlet, about the then Ridge Farm Preventorium located in west Lake Forest, written in 1934. "Ridge Farm has a record of twenty-one years of service to Chicago during which time it has restored to health and usefulness about one thousand children predisposed to tuberculosis. The means employed are fresh air, good food, rest and careful medical supervision. The cost per day per child during the past year was \$1.37, which included care, schooling, clothes and follow-up work. So far as possible the children are taken from homes where misfortune rather than lack of character has been responsible for bad living condition. What the children learn at Ridge Farm is reflected in their homes after they return."

We, at Grove School on Ridge Farm, are interested in what happened to the thousands of former children from Ridge Farm. We have decided to hold a Ridge Farm Alumni Reunion Day on Thursday, July 27, 1972 on the school grounds. Plans are to have an old fashioned picnic, including a basket lunch (bring your own) at noon, and visiting and tours of the buildings and work now going on at Grove School. We cordially invite all former Ridge Farm "children" to attend and hope they will spread the message to other alumni who are now not residing in the Chicagoland area. We ask that they send written RSVP's to the Grove School, 40 East Old Mill Road, Lake Forest, Illinois 60045, Attention: Margaret Paulsen, School Clerk.

CLAIM NOTICE

IN THE CIRCUIT COURT OF THE NINETEENTH JUDICIAL CIRCUIT, LAKE COUNTY, ILLINOIS

PROBATE DIVISION

Estate of MURIEL F. WOJTANEK (a-k-a Muriel F. Bracewell), Deceased, File No. 72-P-363 NOTICE IS GIVEN of the death of MURIEL F. WOJTANEK (a-k-a Muriel F. Bracewell) of Antioch, Illinois. Letters of Office were issued on June 20, 1972, to MARIDEL ARLENE HISCHE, 12234 Hillcrest Place, Bridgeton, Missouri Executor-designated resident agent and whose attorneys are JACOBS & CLARK, 425 Lake Street, Antioch, Illinois.

Claims against the estate may be filed in the Probate office of the Clerk of said Court, 18 N. County Street, Waukegan, Illinois, 60085, within 7 months from the date of issuance of letters; any claim not so filed is barred as to the estate inventoried within that period. Also copies of claims must be mailed or delivered to the Executor or designated resident agent and to the attorneys.

STEPHANIE SULTHIN
Clerk of the Circuit Court
7-12-72

Medicare Benefits Explained

Many people who have medical insurance under Medicare do not understand how Medicare acknowledges their claim for reimbursement of medical bills, according to Allen K. Joy, social security district manager. Medical insurance primarily covers doctors services.

If you are covered by medical insurance and send in a claim, you will receive a statement from Medicare showing a record of your use of medical insurance benefits. This statement is called an "Explanation of Medicare Benefits." It is not a bill. It is a statement of the action taken on your Medicare claim.

The "Explanation of Medicare Benefits" statement will show you how much of your expenses have been credited to your yearly \$50 deductible. It will also show you the amount of the benefit payment being sent to you, if any, as a result of the claim you submitted. If payment is due, the bottom portion of the statement will be a check from Medicare made payable to you. This is your reimbursement of medical expenses: you should detach the check and cash it. If your doctor agreed to be paid directly, the bottom portion of the statement will be a copy of the check sent to your doctor. This is non-negotiable.

The "Explanation of Medicare Benefits" statement is important to you because you can use the latest one to show your doctor and others when they want to know how much of the \$50 deductible you have met. You can also keep it as your record of Medicare payments you have received.

You do not receive an "Explanation of Medicare Benefits" covering hospital expenses processed by Medicare. If you are hospitalized, the hospital files the claim for payment and you will receive an explanation of your use of hospital benefits on a form called "Medicare Hospital Insurance Benefit Record."

The Lake County Forest Preserve District has recently hired a new biologist, Mr. Daniel Brouillard. Mr. Brouillard, a native of Waukegan, is a 1969 graduate of Southern Illinois University where he majored in botany and minored in zoology. His duties with the Forest Preserve will include all phases of ecology.

PIN OAK PROBLEM

The Pin Oak, one of Illinois' most majestic trees, often shows yellowing in the northern area of the state. This is usually caused by iron chlorosis and can be easily recognized as the veins of leaves remain green while remainder turns yellow. While chlorosis is evident on many trees and shrubs, it is most obvious here on pin oak, magnolia, maple, rhododendron, roses, azalea, and fruit trees. Trees gradually die without proper treatment.

Chlorosis is caused by iron deficiency and the cure is easy.

"For years we have been encouraging homeowners and landscapers to keep their pin oaks in good health by:

1. Feeding roots with a root feeder and iron cartridges.

2. Drenching soil and spraying foliage with Iron Chelate." said Les Haseman, manager of Lake Cook Farm & Garden Store at 3469 Sheridan Road, Zion (at Wadsworth Rd.)

"Now we have a new method to use if all else fails to 'green up' the tree."

The farm store manager related that previously they incorporated a few grams of iron phosphate granules into holes bored into the tree. A run-down tree was able to show good color in a week.

Now trunk injection is made easy by the use of iron "Medicaps". This ready-made Cartridge is inserted in holes drilled -- 1 1/2" deep in lower trunk area. "Landscapers who have used this procedure report good success," Les Haseman stated.

A healthy pin oak offers brilliant scarlet autumn colors and likes a "forest condition" -- often becoming chlorotic in disturbed soils.

Local golfer shoots hole-in-one

Hilliard Tobieski, known affectionately by his friends as "Toby" last week joined the select ranks of golfers who have scored a hole-in-one.

Tobieski accomplished the feat on Wednesday, July 5, at the fourth hole of Hunters Country Club in Richmond.

It was the first "ace" ever for the portly owner of the Lakes Region Advertiser. He used a

nine iron on the 115 yard hole and, because of an elevated green did not realize the extent of his shot.

However, as he and his playing partners Ken Torkelson and Larry Ryan approached the hole, they were astounded to find the ball wedged between the flagstick and the lip of the cup. As they approached the pin a gusty breeze bent the pole

allowing the ball to settle securely in the hole.

Tobieski, who finished the round with a 96, "lit up like a lightbulb," after his shot fell through, according to partner Ken Torkelson.

Torkelson went on to explain that the hole was by no means easy. "There are two water hazards in front of the green and one behind," he said.

With a Stern Eye

That time has come again—the long dusty days of hustling. The sunny Sunday afternoons spent at steer roasts, corn boils, beer busts, and ice cream socials—the hot Saturdays perched on the back of a convertible (and ours has many knobby ribs) waving and nodding at disinterested spectators—all these indicate the arrival of another pre-election summer.

Two years ago I was hard at it with the rest. It is simultaneously grueling and gratifying and the occasional hard-core partisan one meets can make a terrible day into a joy. So here we are again.

Last week we were invited to attend a picnic for those working on behalf of Stan Beetham, the democratic candidate for Congress in the 13th District. It had beer, and beef sandwiches and lots of talk. It also had the fever of a crusade.

Those who know the history of this district—and its boundaries have changed since the last election, but the verities remain—are aware that the area has never, not rarely but never, sent a Democrat to Congress. Beetham is as aware of this as anyone but he radiates a genuine confidence that his candidacy will break the back of history. And those of us who watch think he may be right.

We arrived promptly at 5:30 only to find that we were among the first. The day was balmy and the lawn lush. "he got a very warm reception in the Lake Bluff parade," one man was saying. "There was applause all along the way."

"Yup, that's what I heard," said another leaning on the outdoor housing for the air conditioner. "I didn't go to the parade. I've seen a parade and—"

"You have?" said another.

"They're all different you know, Judd. Just like snowflakes," said the first man.

We drifted in and out of several conversations, greeted many old friends from McHenry County whom we had not seen in some time, and waited hungrily for the food to come out.

"I thought I was the oldest Democrat in Lake County," said a gentleman near me whose lapel label said, "Hello, my name is Les Collins." "But I just met the oldest one." And he pointed to a little lady farther down the lawn. "Come over and meet Mrs. Milligan," he urged. And I went.

Mrs. Milligan, it turns out, is well into her 80's. She has broken a couple of vertebrae and wears a steel brace, but there she was at this political clambake. And apparently she is a regular worker in the Beetham headquarters. That kind of participation makes pikers of all of us.

"God bless you, Honey," she said to me at one point. "We

need more like you." If ever there was a compliment that should have been turned back on its maker, that was it.

The crowd thickened and the sandwiches disappeared briskly. A springer spaniel loped among the guests and the candidate's small daughter was busy keeping him out of plates and beer cups. Next door a tractor lawn mower buzzed ceaselessly up and down the lot line.

"Must be Republicans over there," grinned an old committeeman.

"As a matter of fact they are," said a bystander. "And they give Stan a pretty rough time. Calls in the night, stickers for the incumbent on cars that tarry in the Beetham driveway, stuff like that."

"You wouldn't believe how childish people can behave!"

Once fed, the crowd was friendlier and read for the pith of the evening. As the showcase Democrats—those who had proved that the impossible could indeed be accomplished—Art Tyrrel and I said a few brisk things on the subject. Art is the first Democrat ever to be elected to county office in McHenry. He became Sheriff there in 1970 at the same

CHANNEL LAKE CHATTER

The John Runyard Family spent a week at their cabin in northern Wisconsin. They were joined on the weekend by the

election that made me County Clerk. Hopefully we had warmed up the audience for the important speaker of the evening, Ab Mikva.

Mikva spoke briefly of his own fight in the new 10th District, and of what it took to elect a congressman in such a district as this. The crowd applauded wildly and he slipped away to his next meeting. Such, I then recalled, is the schedule of the campaign trail. Hit and run.

Beetham spoke. And again the crowd applauded enthusiastically. Two of his lieutenants spoke briefly and to the point—'sign up and work with us in the precincts!' Many did. And the official part of the meeting was over.

On our way out we observed a near fracas between the driver of the tractor mower and a Beetham partisan. Feelings run high in a campaign summer...

Emery Trussel and Donald Bjork families. Ruth Trussel and Barb Bjork are Margaret Runyard's sisters and on Sunday, July 2, they all celebrated Ruth's birthday.

The 4th of July was a busy day for the Don Bjork family as they had a picnic in the backyard. Their guests were the Joe Gutowski family; the Ray Enzenbacher family, the Ray Enzenbacher family, the Bob Lemke family and the Don Purfurst family, with a surprise visit from Bobbie and Bud Scott and Bob and Sis Peters. The group had a nice time playing games, even had some brave children swimming in the pool despite the cold weather. Then everyone went to Wilmet for the fireworks display. The day ended with a bonfire in the Bjork's driveway with kids roasting marshmallows and the adults trying their talents with a singalong.

Donna Conklin is doing very well after having surgery at Victory Memorial Hospital. Donna is at home and feeling fine although she has to take it

easy for awhile.

A belated happy 9th birthday to Richie Rogers on June 29th.

The Rich Behrens family is the happy owner of a greased pig thanks to the talents of their son David in a greased pig contest at the Benefit Horse Show recently. With a few more fixings, they would have the ingredients for a real Hawaiian Luau.

Joanne Franz and daughters Gina and Ronda spent the past week at the Wisconsin Dells on a long over due vacation. They had a very good time and returned home well rested only to come down with the flu and spend a couple of days in bed. All are well now.

Ted and Marie Hucker are back in the area for the funeral of Mr. Hucker's brother-in-law. The Huckers now make their home in Arkansas, and while here, will be visiting their families and many friends.

Reimer - Cmelak take feature races at Wilmot

Interstates Racing association point leaders, Johnny Reimer and Jim Cmelak were feature race winners at the Kenosha County Speedway in Wilmot on Saturday night. For Reimer, who had earlier in the day qualified his car for the USAC Miller 200 at Milwaukee for Sunday July 9, it was his fourth win of the season at Wilmot. For Cmelak, it was his sixth feature and with it he won the week delayed conclusion of the Sportsman Triple Crown Award.

The 30 lap modified feature started with Paul Cameron, Round Lake on the pole and in the lead for just one lap. Don Sorce, West Allis, moved into the lead but two laps later spun in the third turn and when Jim Fiscus got into trouble in the same corner, it brought out the red flag. Neither Fiscus or Sorce were back in the field on the restart. Reimer, quickly moved out in front but for several laps Dick Duston, Greenfield, put on the pressure from second spot. His cars engine began losing power after the mid-point in the feature and Larry Leach, Elkhorn, moved into the runner up spot for his best finish of the season.

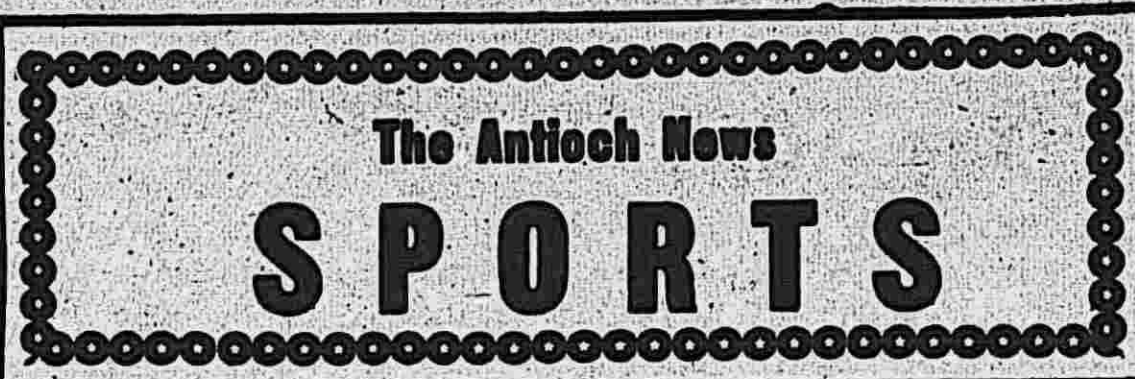

Jim Sullivan, Ingleside, did the best job of pick up driving as he raced from 14th starting position to finish fourth ahead of fast time qualifier Ron Marish, Milwaukee.

Dave Bliss, Algonquin won

the 12 lap consolation race and a 10 lap heat race. Mike Schissel, Oak Creek, drove around Tom Anderson for the lead in the semi-feature with Anderson fading to fourth. Anderson had just hours earlier removed a cast from a fractured knee cap suffered in the fiery accident at the Capital Speedway on July 4 when his mid-engine super was hit following a spin, by Jim Sullivan's car. Anderson further proved his ability by earlier winning a 10 lap heat. Other heat race winners were Bob Leyland, Crystal Lake; Whitey Harris, Lake Villa and Carl Schultz, Pewaukee.

The Sportsman Triple Crown Award feature saw both challengers to Jim Cmelak go down to defeat before the race was actually finished. Ron Fryer, who was runner up in total Crown points going into the race, was involved in an accident just after the start of the feature and although he rejoined the race several laps behind, his car had to be black flag because flapping sheet metal that was about to come off the car. Sid Norton, McHenry, then became the driver with the best chance to beat Cmelak and although he led on the restart, he spun leaving Cmelak without a threat.

Oveal Anderson, Waukegan, was injured in the modified consolation race and was treated and released from Burlington Memorial Hospital.

Ted Richter big winner

Sunday nite at Waukegan

Ted Richter of Libertyville was the big winner Sunday night in the late model sportsman races at the Waukegan Speedway taking the feature lead from George Dukas of Zion in the 16th lap. Tom Urban of Mundelein was runner-up with Joe Horn of Zion in third spot.

The three nights of this new sportsman class racing for increased purse has seen three different 25-lap main event winners. Dukas won last Sunday with Chuck Bostick of Waukegan winning Saturday night and now Richter. Richter drives a "Lakeland Bus" 1964 Chevelle.

Skip Don of Waukegan paced the 19-car field for the first three laps before Ken Graham of Winthrop Harbor moved in front. Graham dropped to third in the 8th lap when both Dukas and Richter zoomed past.

Richter caught Dukas in the 15th lap and passed him in the next lap with Dukas falling back to 13th spot with a tire problem. Urban, who finished second, made repairs following a collision with the concrete wall during time trials and still was able to turn in a strong race.

Following Richter and Urban at the end of 25-laps were Horn,

Graham, Bob Klemm of Gurnee, Don and Sonny Sears of North Chicago. Dukas had fast time for the night with a :16.25 but was shut-out of the win circle in the other races.

Diane Smith of Gurnee drove her husband's new 1964 Ford Sportsman to the powder puff win over Margaret Dukas of Zion in her husband's 1961 Chevrolet. These two switched lead positions several times and locked together once. Bill Meyer of Gurnee won the roll-over contest while Jack Hemmings of North Chicago won both street car races.

The second heat for sportsman saw a spectacular crash between Dennis Heiskala of Wadsworth of Roger Gentry of Zion in the first lap. Heiskala's car was squeezed between Gentry's and the wall and was completely demolished; however neither driver was seriously injured.

The narrower (7½ inch) tires on these sportsman really seem to make a difference in the passing techniques at the track. The dash and the first two heat races were won by the winner passing the early leader on the outside...and the third heat might have been similar except the two leaders locked together and slammed into the first turn wall.

Fifth is lucky for Craddock

Paul Craddock, Round Lake has been trying to win a feature at the Lake Geneva Raceway for five weeks now and Saturday night he finally made it to victory circle after starting 12th in the 14 car field. In getting this first win, Craddock, beat Bob Peterson, Lake Geneva who had set fast time, and Jerry Straubbe, Burlington who had led from the start.

At the end Straubbe slipped back to fifth behind John Burmeister, Burlington, 3rd and George Dukas, Zion, fourth. Dukas made his second run at the Lake Geneva Raceway after scoring several wins in feature racing at the Waukegan Speedway.

Homer Garza, another infrequently appearing driver, won the semi-feature for the Sportsman stock cars and heat races were won by Jack Nolan; Straubbe; Cal Clark; Craddock and Bill Davis.

Fourteen liberated ladies raced in Spectator Stocks and put on a display of driving that in no way resembled Powder Puff racing. Ruth Ingersol was the winner over a lady who refused to be identified only because she ran second. Third was Laynet Katte who will return to race next week.

Ken Haack won the Sportsman stock car feature for the fellows as he beat Mike Bice and Dick Hoffman. Lee Tibbits set fast time in this group and won a heat race but could only finish fifth in the crashing feature.

Dennis Feldman tried hard but couldn't stay in the lead over Ralph Bauman who scored the impressive win, his third, in semi-feature racing. Heat races were won by Bob Bayer; Robin Hall and Tibbits.

Bostick takes Waukegan win

Waukegan's Chuck Bostick won the 25-lap late model sportsman feature at the Waukegan Speedway Saturday night in a wild finish. The program was completed after a 70 minute rain delay.

The feature was Joe Horn of Zion in front on the 7th lap as he passed Sonny Sears of North Chicago. Nick Peters of Zion led the first four laps of the race which was punctuated by fast qualifier Rip Tucker of Park City setting a new altitude record for this season when his 1965 Chevelle climbed the pit wall in the second lap and

nearly flipped over. Bostick passed Horn in the 12th lap for the lead.

Tom Urban of Mundelein was racing in 6th spot on the 8th lap when he spun out and quickly restarted. Of the leaders, only Horn, Bostick and George Garrett of Zion lapped him... and then the second generation stock car driver raced his heart out thinking he was still running with the leaders.

By the 19th lap Urban was right behind Bostick's 1964 Ford and on the 21st lap he successfully in-lapped himself. Bostick of course reacted at full speed and these two raced wheel-to-wheel for the final laps with Urban bouncing between the wall and Bostick as Bostick raced for the checkered flag. It was not until after the race that Urban found out he was one foot short of being a quarter mile behind the leader!

The official finish had Bostick first followed in order by Horn, Garrett, Ted Richter of Libertyville, Dennis Heiskala of Wadsworth and Urban.

The threatening skies finally dampened the track and the good-sized crowd during the first sportsman heat race which was won by Ed Smith of Gurnee. Tow trucks and over 40 cars helped dry the track once the rain subsided. Street car events were run after the racing resumed and even the remaining sportsman preliminaries were run on slippery footing. By feature time the track was in good shape and only the roll-over contest, which needs a dry infield, had to be postponed.

Leach leads every lap to win at Lake Geneva

Larry Leach, Elkhorn won the 30 lap feature race for Interstates Racing Association modified stock cars at the Lake Geneva Raceway on Sunday July 9. He led every lap as he outraced Butch Bergsma

Richmond on the start.

Point leader Johnny Reimer moved around Dave Bliss; Bergsma and Paul Cameron to take second but could not close the gap on Leach.

Babe Ruth Hosts Play - Offs

Antioch Babe Ruth hosted the District 6 Play-Offs July 6th through July 9th. Seven teams were invited to the tournament and the Barrington Nationals beat Deerfield 14 to 11 and won the District Trophy. They advanced to the Area Play-Offs.

Antioch won their first game beating Marengo 5 to 4. Tom Warner was the hitting star having a single and double driving in 3 runs. Russ Albano led off the sixth inning with a triple and Warner singled sending Albano home with the winning run. Antioch executed a double play in the first inning going from Perone to Bodine to Warner which killed off a Marengo rally.

Antioch's second game was the highlight of the tournament. The game went 10 innings and featured outstanding pitching

by Tom Underhill for Antioch and Simond for Barrington. Underhill struck out 10 and gave up 9 hits. Simond struck out 14 and gave up 4 hits.

Barrington scored first when Meeks tripped to left field and scored on Hartwig's single in the second inning. In the third inning Mike Witt and Mitch Witt walked. George Pierce had an infield single which loaded the bases. Joe Norwood walked which forced in the tying run. With a chance to break the game open Simond bared down and got the next 3 batters out with a ball going out of the infield.

The score remained tied until the top of the tenth. Simond singled and Bock walked. There were 2 outs when Amato doubled to center scoring 2 runs for Barrington.

Antioch was represented by Tom Warner, John Boding, Mike Perrone, Russ Albano, Tom Underhill, Scott Vasquez, Joe Norwood, George Pierce, Mike Witt, Mitch Witt, Phil Lindberg, Andy Proctor, Jeff Gutowski and Gary Klean. Bill Underhill was the manager and Joe Norwood and Dick Witt were coaches.

Rifles "pretty good" says Vail

The Lake County Rifles professional football team looks "pretty good" to coach Jesse Vail after more than a week of practice.

"One of the real pleasant surprises," said Vail, "is the playing of Ric Gedman, a 235 pound college guard from Xavier and Carmel high school in Mundelein. Gedman was a walk-on and it turns out that he has many of the moves required for a professional player," added the coach.

A battle for the starting quarterback spot is shaping up between John Dobbs, last year's starting quarterback, and rookie Don Cummings from Glenbard East and North East Missouri State where he was an honorable all-American selection.

Vail said that one of the weaker spots on the team is center where the leading candidates at present are Clyde Seters and Geore Lehg-Page.

The coach is working with both players to see if they will develop into what he expects

from a center.

The center position is an important one because this is the player who must lead the offense with a quick snap to the quarterback and move out aggressively to block.

Two other excellent prospects are Jim Coleman who has played previously in the Central States League and Jim Montgomery, last year's captain of the Northern Illinois University team. Vail said that as Montgomery is an excellent all around player, it is possible he also will play defense.

Vail said that about 20 rookies from the 60 who reported for the

first night of practice already have left training camp on their own. He said they saw they would not be able to make the squad.

Another 120 players are expected to move into the Rifles training camp at Mundelein before the first game of the season. Many of these players will be from the Canadian and National Football Leagues who are seeking another year of experience before they again try to move up to the two major leagues.

First home game for the Rifles will be at 8 p.m. July 29 when they meet the Manitowoc Chiefs at Carmel Field on Highway 176 in north suburban Mundelein.

won here last Sunday night, was on the move thru the field racing behind Joel Reimer. As the cars hit the number one turn, Joel Reimers car dumped water from a catch can and Otto spun off the track. Whitey Harris, right behind Otto, also spun off but he restarted and raced to unlap himself from Leach to finish eighth.

Ron Bergsma, Richmond battled with Joel Reimer and finally moved around to finish third with Dave Bliss, fourth then Butch Bergsma and Joel Reimer. Fast time qualifier, Bob Layland, Crystal Lake with 16.81 second run was seventh and rounding out the top ten was Harris; Stan Horton and Gary Schlefer, Milwaukee in a Ford powered super modified with a new wing that helped his efforts.

Jim Sullivan won the semi-feature over Gary Weise and Ray Dropp with Pop Kline next.

Ten lap heat races were won Gary Weise who actually finished second but due to the driver change from qualifying to racing of the car crossing the finish line first without starting in the rear, was disqualified. Tom Anderson qualified the car but Ray Dropp drove it in the races.

Ron Marish, who arrived too late to qualify then a tow car broke down enroute, won a heat and Leach won the next with Reimer getting the third.

Joe Greske, Franklin won the Sportsman stock car 15 lap feature over Jack Ashenbrenner; Cal Clark and Tom Barker. Sid Norton was fifth.

Semi-feature race winner was Dave Zilmer with heat races being won by Greske and Ken Otto. When Greske won the heat, his wife was invited down on the track to greet him and pose for the picture. Greske credited the kiss from his wife for the will to win the feature.
